I'm never coming down off you, no  
I'm never coming down off you, no  
I'm never coming down off you, no  
I'm never coming down off you, no

Nobody, nobody  
Can tell me that I love too hard, I take it too far  
Nobody, nobody  
Can tell me that I lost my brain, it's all down the drain

It's too far gone to turn back now  
The parachute's locked, the breaks went out  
And why don't you try it?  
I know you baby, I swear you'll like it

Light it up, light it up, light it up  
I'm ready to go, ready to go  
Overdosin' on you babe, high off your love.

Light it up,  
Light it up,  
Light it up,  
Light it up,  
Light it up,  
Light it up,  
Light it up,  
I'm ready to go, ooh  
Whoa, Light it up

I'm never coming down off you, no.
