I was walkin down the street, mind in my own affair  
When two policemen grabbed me, unaware  
He says "Is your name Henry?" I says "Why sure"  
He says "You the boy I'm lookin' for"

I was framed, framed, I was blamed, framed  
Well, I never knew nothin, but I always get framed  
Oh, framed

They took him in the line up and let those bright  
Lights shine, there was ten poor souls like me in that  
line  
I knew I was a victim of someones evil plan  
When a stool pidgeon walked in and says "That's  
your man"

I was framed, framed, I was blamed  
oh, framed, framed, framed  
Well, I never knew nothin but I always get framed

Well, the prosecutor turned and started a prosecutin'  
me  
Man, that cat didn't give me the one, but the third  
degree  
He says "Where were you on the night of July 1953?"  
"Man I was just home just a tweedle-a-dee"

I was framed oh framed, I was blamed  
oh, framed, framed, framed well,  
I never knew nothin, but I always get framed  
Oh framed, oh framed
