Chorus:

He's my best friend, best of all best friends
Do you have a best friend too? (and all the hoes say)
He's my best friend, best of all best friends
Do you have a best friend too?
(and even if I hit it, I am never committed she say)
He's my best friend, best of all best friends
Do you have a best friend too? (and all the hoes say)
Giggles in my tummy, he's so yummy yummy
Hey you should get a best friend too
And then the bridge will be like
Na na na na na na na na na na

Verse 1:

She say she feels free when she around me
Not the police - so I ain't hand cuffin'
Not your husband or your man
But when I'm in, you aint never had a friend like me
I get her naked - and she singin' Weatherman
It's a beautiful day - but I don't love her - I'm a playa
Now please don't take it personal - I don't know you -
I'm just sayin'
And I don't remember names, - but b---- don't miss the
plane
That's OPP - I fuck ya friend for a favor
Cuz I'm Naughty By Nature - not cuz I hate ya
I'm on one - I tell her - "fuck-it-lets-get-wasted"
We in her college dorm - we just woke up all the
neighbors
Take the elevator - straight to HoustalantaVegas
but I don't wanna date ya - I just want the paper
yea James Wade - can make you famous - I'm a Star
Somebody lied I got them condoms in the car - she tell
'em

Chorus:

He's my best friend, best of all best friends
Do you have a best friend too? (and all the hoes say)

He's my best friend, best of all best friends
Do you have a best friend too?
(and even if I hit it, I am never committed she say)
He's my best friend, best of all best friends
Do you have a best friend too? (and all the hoes say)
Giggles in my tummy, he's so yummy yummy
Hey you should get a best friend too
And then the bridge will be like
Na na na na na na na na na na

Verse 2:

She say if she let me hit - am I ever committin - I go...
Yea, I can bring you down when the flights over
You think you cooler than me, Benzi, and Mike Posner
I'm tryin Beat it - Beat it Down - when the nights over
When you wifey - you get a ring - with some ice over
But you get no dough - if you one of my hoes
And see my purp be the color Purple - I'm like Oprah
High and never come down - like a nice poster
I'm Katie Perry with the fireworks
I just give her options - Don't knock it til you try it first -
Top is where my team sit - VIP is loud
Plus we higher than a cloud -and we flyer than a G6
That g shyt, she keep it secret from her man
She say I'm her best friend - all her girl friends sleep
wit like

Chorus:

He's my best friend, best of all best friends
Do you have a best friend too? (and all the hoes say)
He's my best friend, best of all best friends
Do you have a best friend too?
(and even if I hit it, I am never committed she say)
He's my best friend, best of all best friends
