Verse 1:

Yeah he gifted - duu Swift like he's a Taylor fan  
High so I got them Popeye's like the sailor man  
Tent is Ron Burgundy - the whip they call it Anchorman  
I'm getting cash so I'm seeing ass like a table dance  
I'm makin 'em nervous, play the game without the  
cheat codes  
Vick, Kevin Kolb and I'm Bob when in Beast Mode  
Bumpin Goodie Mob, soul food, and I'm Cee-Lo  
The Ugly Show, Midwest version of Tha G Code  
T-Voed the season and I'm reaching for the remote  
This is dedicated to every nigga I speak for  
I move through the Decatur peep the haters through  
the Raybands  
Copped them new J's in GA we call 'em space jams  
I've been buzzin' and my chick super thick cousin  
She's Superbad I'm in her ass nigga McLovin

Don't hurt me again

Don't hurt me again

(Repeated)

Baby here I am  
All I need is one more chance  
I can help you find yourself  
Cuz you don't need nobody else

Verse 2:

I say, cash rules everything around me and women  
Crisp clean with a fitted - Charlie Sheen when I'm  
winning  
Thank God I'm fresh - my jeans True Religion  
Whatchu eat don't make me shit, I don't need your  
opinion  
Feel like Dr. Dre and The DOC - like no one can do it  
better  
Not even Dr. Jekyll, Dr. Phil, Dr. Pepper  
Or the best until I leave - Dr. J in '87  
Life is a bitch - All Dogs Go To Heaven  
I never drove a six but I got lost in a seven  
I'm stuck in the moment - I get lost in the seconds  
I don't walk with a weapon - so if thou shall not kill  
Keep the steel under the dresser - it's safer being real  
When you get famous you get haters in the deal  
And now I'm lookin' at them like...  
Y'all for fuckin' real?  
Rappers in the game will sell they soul to get a deal  
And I'm just watching The Ugly Show  
Dumb muthafuckas

Chorus:

Cash rules everything around me and women  
Cash rules everything around me  
(Repeated)

Don't hurt me again no  
Don't hurt me again  
Don't hurt me again  
Please, baby don't hurt me again  
(Repeated)

Baby here I am  
All I need is one more chance
