I am in Ohio come see 'em and what the hype about...
(Distorted repeat)

Yea I'm higher than I've ever been - yea!
I say I'm higher than I've ever been

Verse 1:

And they say "Who the hell is James Wade?" "Lights where?" "What Set?"
Teach you how to dougie? Nah I'm a dummy with this dubstep
I smoke like it's my medicine - I'll show you where these drugs at
Vick, to these Eagles - Tommy Pickles to these Rug-rats
And it's a wrap! - Bass, Snare, with them kick drums
Party Like a Rockstar - Jersey Shore fist pump
Up, up and Awaaaaay - J is so sic, with the words
I'm gifted for bein' different - Revenge of the Nerds
Wipe my ass - while I sh*t on this verse
Because rap is in 2 lanes - My set's in the 3rd, word
I'm off that herb - that's some shyt - you'd bet your life on
Ladies love to sweat 'em - strip naked - and keep the Lights On

Chorus:

You know we in the building cuz the LIGHTS ON
Ladies keep the LIGHTS ON, My n****s keep the LIGHTS (4x's)
(So whatchu sayin?) I'm sayin we keep the LIGHTS ON
It's Th3rd S3t, so WHO YOU THINK KEEP THE LIGHTS ON

2 Verse:

Las Vegas lights yea - all you ever see is stars
Yea we keep the lights on - it's vegas everywhere we are

[F*ck em all - let em fall - shut em all down -
Haters in the crowd if you seem em point em out...]
And yea I smoke til I'm on clouds - guess I'm way to use
to bein high
I done been to flight school - they teach you the way the
fly
Got a cup of liquor - wait - all I needs a tray of ice
Hoppin out those suicide doors - like I'm hatin life
Lights!
A different day - but the same shit
Michael Jackson - "Bad", yea, "Off The Wall" -
"Dangerous"
All I do is rage, throwin raves in the basement
Bumpin Chiddy Bang - and get blazed with base head
Hop up out the range - sh*t'll wave like a spaceship
Broads just wanna taste it - and you aint gotta say shit
Wasted - yea the room spinnin like a ten speed
But I aint Britney Spears - so you can't "Hold It Against
Me"
So...

Chorus
