[Female] Eso ehh
[Joell Ortiz] Uh

[Verse 1: Joell Ortiz]
I'm in the spot, now doing it big
Just hit the bar, took two to the wig
See mami caught my eye
Thick thighs and she moving them hips
She had to get introduced to the kid
Threw the bug in her ear
Like I'm lovin' your hair
All these ladies got a problem
Girl, you something to fear
But I ain't scared
I take care of that for sure, yeah, that's it
Eso ehh, let's turn this night to a classic, but
Keep it on the low, nobody gotta know we great
I got some extra dough for us to blow before we skate
I got a girl at home, she hit my phone, but that's okay
Cause I ain't pickin' up, now fill ya cup
Eso ehh (Eso ehh...)

Pre-Chorus: Fido
Ay ma
Tu no digas, shhhh
Na'
Que mi novia no sabe na'
Que ta noche me la pasa perriando

Chorus:
[Fido] Eso ehh, eso ehh
[Female] Eso ehh, eso ehh

[Alexis]
Esta noche

[Verse 2: Alexis]
Ando
Camuflajeao con las gafas y el doo-rag
En la disco
Buscando a mi nueva aventura
Mi gata paga lo que sea por mi captura
Vente
Vamonos pa' la parte oscura
Oye
De donde salio tanto porte y elegancia
Suave fragancia que aumenta mis ansias
Le gusta Miami, Las Vegas, y Francia
Usa camisa mini, dinero es su importancia
Perfume Paris Hilton y cartera de rhinestones
Tiene cuentas con Cingular
Sprint, y Verizon
Ella te pichea
Por el strike zone
Ha noquea'o, mas tipos, que Mike Tyson

Repeat Pre-Chorus & Chorus

[Fido (Chingo Bling in background)]
