[Chorus]

Common sense would tell you leave me alone,
Cause friends with benefits can do what they want.
It's not the fact that you be doin' me wrong,
Cause you not doin' me wrong,
Cause we can do what we want
(I'm sayin')
Common sense would tell you leave me alone,
But friends with benefits can do what they want
& I'm just sayin' we can be cool if we want
But imma do what I want,
Cause she gone do what she want
We friendsss

[Verse 1]

I think I'm fly now, yeah heaven right up under me.
& I'm so stiff now these bitches don't mean nothin' to
me
I'm just a friend with benefits, it's just the player in me
I like them girls with that long hair, INDIAN REMEY
& she give that pussy to me, automatic stemmin'
Ayye she on fire, she the stove in a nigga kitchen
Ayye she done fucked up, on the road to redemption
& I done blessed all her friends, can I get a witness
Brother Sabo on the side, rollin' L.A. Fitness
M&M Automar like I signed with 50 (50 cent)
I'm her favorite wrong, nothin' about us right
(lets go to baby Kayla's world)
& have a nice night

[Chorus]

Common sense would tell you leave me alone,
Cause friends with benefits can do what they want.
It's not the fact that you be doin' me wrong,
Cause you not doin' me wrong,
Cause we can do what we want
(I'm sayin')
Common sense would tell you leave me alone,
But friends with benefits can do what they want
& I'm just sayin' we can be cool if we want
But imma do what I want,
Cause she gone do what she want

We friendsss

[Verse 2]

Answer the phone, I know you see me calling
Look my way, I know you see me walking
& I don't understand why I'm on your mind
But the fact still remains, that you match my type
I guess it just crazy that you feel this way
But whenever you call I'm still on my way
I want you to see the look on my face

When I'm sleeping alone, I'm rubbin' on your space
Feeling so cold baby please come home
I feel like a movie darling, home alone
& I don't wanna do it all on my own
& I don't wanna leave you
No, no, nooooo
Yeaaah, yeaaahhh

[Chorus]

Common sense would tell you leave me alone,
Cause friends with benefits can do what they want.
It's not the fact that you be doin' me wrong,
Cause you not doin' me wrong,
Cause we can do what we want
(I'm sayin')
Common sense would tell you leave me alone,
But friends with benefits can do what they want
& I'm just sayin' we can be cool if we want
But imma do what I want,
Cause she gone do what she want
We friendsss

[Verse 3]

Shawty gotta doubtful mind
But shawty like that couch of mind
She lettin' people feel on her, get on her, chill on her,
kiss on her
Turn around lets sit on her
So fuck it, I ain't cuffin' no woman
Once upon a time I wasn't stu'nn no woman
Yeahh, see you ain'y nothin' to no woman
But I ain't the type of guy to start fron'nn on no woman

[Bridge]

Now understand why I'm sangin' this
Really, ionn understand why I'm saying this
But you know, we friends, we freindssss
Yeaaahh, yeaaahh, yeaaahh

[Chorus]

Common sense would tell you leave me alone,
Cause friends with benefits can do what they want.
It's not the fact that you be doin' me wrong,
Cause you not doin' me wrong,
Cause we can do what we want
(I'm sayin')
Common sense would tell you leave me alone,
But friends with benefits can do what they want
& I'm just sayin' we can be cool if we want
But imma do what I want,
Cause she gone do what she want
We friendsss
