Talking:

I want you

(No you don't)

But I gotta leave you

But but (lon care) I need you

(Man you aint gotta apologize to her man you trippen)

(shhh Man)

Chorus:

Tiered waiting by the phone (by the phone)

and when we at each other I just wanna be alone (alone)

Sometimes I wonder why this had to be us (why us)

Shit like the argue and the fuss (why)

or.... it might just be the trust (The trust)

Damn why us (Why us)

Damn why us ohhh

((Verse 1))

Cant even go day with out the fussin

Everything little thing turns to you and me cussin

Our love was pose to be easy

They tell me let'em go

Im young so be free

Yeah I'm young

I know (I know)

Boy its hard

to let you goo

When its good

You know it real good

So if we fall I gotta make it understood that

((Chorus))

Tiered waiting by the phone (By the phone)

and when we at each other I just wanna be alone

(alone)

Sometimes I wonder why this had to be us (Why us)

Shit like the argue and the fuss (why)

or.... it might just be the trust (The trust)

Damn why us (Why us.. why us)

Damn why us ohhh

((Verse 2))

S.O.R.R.Y.. (.R.R.Y) Im sorry baby bout last night (Last night ...)
My phone went dead
I just got caught up
I promise to god Ima straight'n up (Ima straight'n up yeah)
Don't wanna ever ever fuss
Don't listen to the haters
Man its all about us
I wonder what it is when I
Smile we smile
They wonder what it is

((chorus))

haha Tiered waiting by the phone (what)
and when we at each other I just wanna be alone (me too)
Sometimes I wonder why this had to be us (I wonder the same thing)
Shit like the argue and the fuss (That be you.. ha ha that be you)
or.... it might just be the trust (The trust) (You'n trust a n*gga , you'n trust a n*gga forreal)
Damn why us (Why us) (go through a n*gga phone all the time and everything)
Damn why us (hol on hol on)

((Verse 3))

You..You paper, scissor, rock my world
Plus your my settle down type of girl
Dont change that fact that you be doing that
how you be doing that
Why be doing that girl
And you just keep trying me constantly
And yo friend keep eyeing wanting me
But I cant do that you
Cause your the only one who makes my fairytale come true

((chorus))

duh? you waiting by the phone
if you got a problem then just leave me alone
Come to think that it was never what you thought
it was both of us fault
noo.. I remeber we just a crush
Damn why us
WOOo.!!
Damn why us ohhh
