Honey honey, how he thrills me, a-ha, honey honey  
Honey honey, nearly kills me, a-ha, honey honey

I've heard about him before  
I wanted to know some more

And now I know what they mean, he's a love machine  
Oh, he makes me dizzy

Honey honey, let me feel it, a-ha, honey honey  
Honey honey, don't conceal it, a-ha, honey honey

The way that you kiss good night  
(Way that you kiss me goodnight)  
The way that you hold me tight  
(Way that you're holding me tight)

I feel like I wanna sing  
When you do your thing

Honey honey, touch me baby, a-ha, honey honey  
Honey honey, hold me baby, a-ha, honey honey

You look like a movie star  
And I learned just who you are

I wanted to say the least  
You're a dog-gone-BEAST!

Honey honey, how you thrill me, a-ha, honey honey  
Honey honey, nearly kill me, a-ha, honey honey

I've heard about you before  
I wanted to know some more

And now I am about to see what you mean to me
