Well, the Lord said, "Let there be?
And there was on the earth below and in the sky above
Well, then He knocked off work 'cause it was Friday
night
Come Saturday morning everything was just alright
Sure enough

Well, the Lord said, "Let man choose?
And man did well, there's been sorrow
And trouble in the world ever since
But there's hope for us still in the Word God says
If we just be smart enough to just say, yes
Smart enough to say yes to Him and say it

Alrightokuhhahmen
Alrightokuhhahmen
As it was in the beginning
It will be until the end, say it
Alrightokuhhahmen

Now the Lord said, "Church you better love
'Cause it's a wounded world that needs a healing
touch"
And He gave us a promise and He gave us a job
He'll be with us but the work is up to us
It's up to us

And the Lord is sure speaking to you
So set aside your pride and your anger too
To say that time is short just means the time is now
Every tongue will confess and every knee is going to
bow
Every knee is gonna bow to the truth and say it

Alrightokuhhahmen, say it
Alrightokuhhahmen
You can argue with your Maker
But you know that you just can't win, so say it
Alrightokuhhahmen, say
Alrightokuhhahmen

Don't have to be no hunger

Don't have to be no war
Don't love this world any longer
Better learn how to say yes to the Lord and say it

Alrightokuhhahmen, say it
Alrightokuhhahmen
You can argue with your Maker
Or know the joy of saying yes to, to Him

Alrightokuhhahmen, say it
Alrightokuhhahmen
You can argue with your Maker
Or know the joy of saying yes to Him and say it

Alrightokuhhahmen, say it
Alrightokuhhahmen
As it was in the beginning, it will be until the end, say it
Alrightokuhhahmen
Alrightokuhhahmen
As it was in the beginning
