When he rolls up his sleeves  
He aint just putting on the ritzs  
Our god is an awesome god  
There is thunder in his footsteps  
And lightning in his fists  
Our god is an awesome god  
The lord wasn't joking  
When he kicked him out ' em out of eden  
It wasent for a reason  
That he shed his blood  
his return is very close  
and so you better be belving that  
that our god is an awesome god  
(chours)  
our god is an awesome god  
he reings from heaven above  
with wisdom power and love  
our god is an awesome god  
and when the sky is starliss  
in the void of the light  
our god is an awesome god

he spoke in to the darkness  
and created light  
our god is an awesome god  
judgement and warmth  
he poured out his sodom  
mercy and grace he gave us at the cross  
i hope that we have not  
to quickly forgotten that  
our god is an awesome god
