We didn't know what love was 'til He came
And He gave love a face and He gave love a name
And He gave love away like the sky gives the rain and

And He gave love a face and He gave love a name

And He gave love away like the sky gives the rain and
sun
We were looking for heroes, He came looking for the
lost
We were searching for glory, and He showed us a
cross
Now we know what I
