Everybody I know says they need just one thing  
And what they really mean is that they need just one  
thing more  
And everybody seems to think they've got it coming  
Well I know that I don't deserve You  
Still I want to love and serve You more and more  
You're my one thing  
Save me from those things that might distract me  
Please take them away and purify my heart  
I don't want to lose the eternal for the things that are  
passing  
'Cause what will I have when the world is gone  
If it isn't for the love that goes on and on with  
My one thing  
You're my one thing  
And the pure in heart shall see God  
You're my one thing  
You're my one thing  
And the pure in heart shall see God  
Who have I in Heaven but You Jesus?  
And what better could I hope to find down here on  
earth?  
I could cross the most distant reaches  
Of this world, but I'd just be wasting my time  
'Cause I'm certain already, I'm sure I'd find  
You're my one thing (one thing)  
You're my one thing (one thing)  
And the pure in heart shall see God  
You're my one thing (one thing)  
You're my one thing (one thing)  
And the pure in heart shall see God  
Every night and every day  
You hold on tight  
Or you drift away  
And you're left to live  
With the choices you make  
Oh Lord please give me the strength  
To watch and work and love and sing and pray  
'Cause who have I in Heaven but You Jesus?  
And what better could I hope to find down here on  
earth?  
Well I could cross the most distant reaches

Of this world, but I'd just be wasting my time  
'Cause I'm certain already I'm sure I'd find  
You're my one thin
