"We praise You oh Lord for the love that You give
And the time that You spent on this world for our sins
We lift up Your name in honor and praise
In Jesus we place all our love and our faith

And we know that You are the Savior
And we know that You are the Son
And we know that You are the Savior
Of everyone

The time is now near when You will appear
When we see Your face and Your voice will appear
And then we will sing to Jesus the King
The Maker, Creator of everything

And we know that You are the Savior
And we know that You are the Son
And we know that You are the Savior
Of everyone

We praise You oh Lord (oh Lord)
For the love that You give (that You give)
And the time that You spent on this world for our sins
(for our sins)
We lift up Your name (name)
In honor and praise (honor and praise)
In Jesus we place all our love and our faith

And we know that You are the Savior (the Savior)
And we know that You are the Son (You are the Son)
And we know that You are the Savior (Savior)
Of everyone (everyone)
Yes, you're the one
You're the one
You're the one
You're the one
You're the one"
