Clouds over me form a white tapestry
Skies untowards are blending
Winds dying down, it's so peaceful around
Now that the storm is ending

See what nature's handy-work has done
After every shower comes the sun

There's a rainbow on the river
The skies are clearing
You'll soon be hearing a heavenly song
All the day long

When there's a rainbow on the river
The birds are mating
Their busy dating each other alone
Happy in love

Let's you and I go sailing
Along the rippling stream
Holding hands together
Together we'll dream

With a rainbow on the river
You get the feeling
Romance is stealing right out of the blue
Into your heart

Let's you and I go sailing
Along the rippling stream
Holding hands together
Together we'll dream

With a rainbow on the river
You get the feeling
Romance is stealing right out of the blue
Into your heart...
