Bodell Music (BMI)

Remember when I'd stand on your shoes  
Hoping for some time with just you  
I'd hold on tight cause I'd wanna play  
You'd look down at me; that's when I'd say

Chorus  
Daddy, let's dance  
Twirl me around, don't let me fall  
Daddy, let's dance  
Hold me right now, give me one song  
Daddy, let's dance

Remembering my first high school prom  
You said to me, "where's the time gone?"  
A knock at the door, but he'll have to wait  
The first dance is daddy's, so we'll just be late

Repeat Chorus

You've walked with me all through my life  
Today's walk has made me a wife  
Smiles with tear drops, it's my special day  
But, I'm still your little girl, so I've got to say

Repeat Chorus  
Daddy, let's dance
