When all my fortunes fall away  
Leaving like the Autumn leaves  
Bringing down the day

Winter comes till I'm alone  
Feeling like the shattered light  
A cold that shakes the bone

Yeah I wandered through the years  
Drifting past the happy lives  
and holding back the tears

Disdained delight  
Becomes my hole in me  
Disdained delight  
The pain on which I feel  
Disdained delight  
A captain never free  
Disdained delight

Now that spring brings in the rain  
A child begins to laugh again  
while I walk by in shame

To see the dust erode begin  
my breathing starts  
and I'm lost again  
My price for all my sins

Finally summer lights the land  
The circle of my life unfolds  
and opens up the man!

Disdained delight  
Becomes my hole in me  
Disdained delight  
The pain on which I feel  
Disdained delight  
A captain never free  
Disdained delight

Disdained delight  
Becomes my hole in me  
Disdained delight  
The pain on which I feel  
Disdained delight  
A captain never free  
Disdained delight
