Approach him if you dare
but you never know what your gonna get
Except the feeling of a child
Waiting for the moment
When you peer into his mind
but you know it will never go

Oh, don't you know
that he's a one man show
Oh, don't you see
Oh, that you got to believe that
he's the man who knows all
and he's feeling revenge for his mind

He's the man who knows all
He's the last of his kind

Catches every step
until you realize that this is not your place
to know what is racing through his mind

Peril and despair had become his only friends and
nothing more
Ripping minds and taking lives

Oh, don't you know
that he's a one man show
Oh, don't you see
Oh, that you got to believe that
he's the man who knows all
and he's feeling revenge for his mind

He's the man who knows all
He's the last of his kind (woah)

He's the man who knows all
and he's feeling revenge for his mind

He's the man who knows all
He's the last of his kind
