I met her down on South Padre
Night before the last day of Spring Break
Red Sarong and a ring on her chain
Around her neck, never got her name

Whoa oh oh oh... listen to the band play
Waving those beer filled Dixie cups and my

Drunk girl
Never had so much fun girl
Tequila breath
Peppermint schnapps
Sex on the beach doing body shots
I can't recall much of that trip
But I'll never forget how she rocked my world
I sure do miss my... drunk girl

Like Fred and Ginger on a Louis dance floor
Couple of girls said look at that whore
Her skirt's too tight and her top's too low
Every boy in that place got a pretty good show

Whoa oh oh oh... we kept dancing anyway
Waving those beer filled Dixie cups and my

Drunk girl
Never had so much fun girl
Tequila breath
Peppermint schnapps
Sex on the beach doing body shots
I can't recall much of that trip
But I'll never forget how she rocked my world
I sure do miss my... drunk girl

The sky faded and the leaves fell too
I sure hate going back to school
I never liked science so I bought a guitar
Ain't it funny how guitar rhymes with bar

Whoa oh oh oh... come listen to my band play
And I'll be checking everyone of them Dixie cups for my

Drunk girl
Never had so much fun girl
Tequila breath
Peppermint schnapps
Sex on the beach doing body shots
I can't recall much of that trip
But I'll never forget how she rocked my world
I sure do miss my... drunk girl
I sure do miss my... drunk girl
I sure do miss my... drunk girl
