Jack's Baby by Jan Josef Liefers

Was like fallin'from heaven  
on un-known ground.  
Like the key for the backdoor  
that never was found.  
Like a spring in the desert,  
like snow in July.  
Wakin'up in the morning  
with a lullabye...

Refrain:

That's why I'm never gonna be  
Jack's Baby,  
that's why I'm never gonna see  
Jack's Baby.  
We'll grow older every day,  
hearts get colder, anyway...  
...wanna be Jack's Baby...

Why you've made it all past  
before it began?  
Let the king of the world be

a begger again.  
A fragment relingers  
through time and space.  
Let it run through your fingers  
with a smile on your face...

Refrain:

That's why I'm never gonna be  
Jack's Baby,  
that's why I'm never gonna see  
Jack's Baby.  
We'll grow older every day,  
hearts get colder, anyway...

(Gitarrensolo)

Refrain:

That's why I'm never gonna be  
Jack's Baby,  
that's why I'm never gonna see  
Jack's Baby.  
We'll grow older every day,  
hearts get colder, anyway...  
...wanna be Jack's Baby
