wonderful world by Jan Rot
I'm not sober tonight, but I just say what I mean
will you stop and listen
life, I can make it alone, it's no fun on my own
I'm waiting for you
why don't you dance, little darling
pull me up, I'm sitting here
I can't believe it's all over
life, I can make it alone, it's no fun on my own
I am waiting for you, that's why I say now
shed no tears on me, I don't need no charity
play no games on me
can you tell me now exactly where I stand
a wonderful world (take up your place)
a wonderful world (that's what they say)
a wonderful world oh no, not for me
I'm down and I'm tired
it's so hard to talk with you, no satisfaction
