Ten little miles  
Nine little miles  
Eight little  
Seven little  
Six little miles

Five little miles from San Berdoo  
I woke this mornin' and thought of you  
Looked out the window  
What a view  
Five little miles from San Berdoo

Four little miles from San Berdoo  
The porter shouted, "We're almost through!"  
I saw familiar sights we knew  
Four little miles from San Berdoo

Three little miles from San Berdoo  
My bag was packed and ready  
I said to myself, "Steady!"

Two more miles and you're in heaven

One little mile from San Berdoo  
My heart was skippin' a beat or two  
Oh what thrill when I saw you  
Waitin' at the station down in San Berdoo

-Break-

From San Berdoo  
I woke this mornin' and thought of you  
Looked out the window  
What a view  
From San Berdoo  
From San Berdoo  
The porter shouted, "We're almost through!"  
I saw familiar sights we knew  
From San Berdoo  
From San Berdoo  
My bag was packed and ready

I said to myself, "Steady!"

Two more miles and you're in heaven

Little mile from San Berdoo  
My heart was skippin' a beat or two  
Oh what thrill when I saw you  
Waitin' at the station down in San Berdoo

San Bernardino!  
Berdoo
