Hello sweet pie
I'm really glad that you could make it...
I think we should get straight to business...
Show me what you've got...
It's all yours...

R:

Yes boss...I'm on the mic...
I'll try to give you what you like...
I can be soft...I can be hard...
Let me do the B-part...please...please...

Sugar, sugar...so close..and yet so far...
I would love to take you to the B-part...
But I'm afraid we're not quite there yet...
So darling...Grab that mic again and give your best shot...

R:

Yes boss...I'm on the mic...
I'll try to give you what you like...
I can be soft...I can be hard...
Let me do the B-part...please...please...

Oohh yeahh...that's what I call sweet music...
I really like what you're doing here...
yet...I think you're gonna have to work a little harder baby...just a little harder...

R:

Yes boss...I'm on the mic...
I'll try to give you what you like...
I can be soft...I can be hard...
Let me do the B-part...please...please...

ohh yeahh...way to go...
now we're really getting somewhere...
It's getting hot in here...

Hit me baby...hit me one more time...

R:

Yes boss...I'm on the mic...

I'll try to give you what you like...

I can be soft...I can be hard...

Let me do the B-part...please...please...

ooollaaalaaaa...I think you've got me there baby...

come along...come along baby...

here comes the B-part...
