If my words did glow
With the gold of sunshine
And my tunes were played
On the harps unstrung

Would you hear my voice
Come through the music?
Would you hold it near
As it were your own?

It's a hand me down
The thoughts are broken
Perhaps they're better
Left unsung

I don't know
Don't really care
Let there be songs
To fill the air

And ripple in still water
When there is no pebble tossed
Nor wind to blow

Reach out your hand
If your cup be empty
If your cup is full
May it be again

Let it be known
There is a fountain
That was not made
By the hands of men

There's a road
No simple highway
Between to the dawn
And the dark of night

But if you go
No one may follow
That path is for

Your steps alone

Ripple in still water
When there is no pebble tossed
Nor wind to blow

And you who choose
To lead must follow
But if you fall
You'll fall all alone

If you should stand
Then who's to guide you?
If I knew the way
I would take you home
