Lady, I can understand your problems and your worries  
When you love a man like me  
And if you don't mind I will try to say "I love you" in this  
song now  
Listen to this melody

You belong to me  
I belong to you, yes, I do  
And we belong to each other, lady  
Listen to me, baby

There'll be times when I'll be down and I'll be troubled  
Trying to be that rising star  
But don't worry, I will never in our lifetime bust your  
bubble  
Or bring you down from where you are

You're a queen to me  
And Lord knows I'm a king to you, yeah  
And we belong to each other, baby  
Yeah

You go to my head  
You're a part of everything I say and do  
You go to my head  
And you keep me happy

Ooh, baby, I can understand your worries and your  
problems  
Trying to be a rising star  
And if you're lonely all you have to do is call my name  
out  
And I'll be there where you are

You belong to me  
Lord knows I belong to you  
And we belong to each other, baby  
Yeah

You go to my head  
Baby, you're a part of everything I say and think and

do  
(You go to my head)  
Every time we make love on the bed you go to my head  
And I'm givin' all my love to you  
You go to my head, baby (Ooh...)

Can I bring it down and talk to you awhile  
Can I talk to you (Ooh...), woman, can I talk to you  
(Ooh...ooh...ooh...ooh...ooh...ooh...ah)  
Can I talk to you, baby

{You keep me happy} When we're makin' love under  
stars aglow  
{You keep me happy}  
{You keep me happy} Kissing you all over from your  
head to your toes (Ooh...)  
{You keep me happy} Caressing you, touching you  
(Ooh...ooh...ooh...)  
Kissin' every little part of you (Ooh...ooh...)  
{You keep me happy}  
{You keep me happy} When I'm lovin' you and I  
(Mmm, hmm)  
{You keep me happy} With my arms around you  
squeezin' you tight  
(Mmm, hmm, mmm, mmm)  
{You keep me happy} When we do all the things that  
only you and I can see (Mmm)  
{You keep me happy} You go from the bottom of my  
toes to the top of my head  
(You go from the bottom of my toes to the top of my  
head)  
{You keep me happy} You keep me happy
