My babys alvways crying,  
My baby wants to see me cry, too.

Chain on my heart is going to break

Cuz every tear that falls in here  
Is a dime for the juke box fury  
So punch it in  
Shake the chain  
And listen to the song youre playing  
Shake the chain, shake the chain  
At everything I do  
Just enough  
Everything I wanted to  
Just enough  
Everything I put you through  
Just enough to know  
He dont want me  
Oh, I think hes polarized  
He dont know which way to go  
Where would you be otherwise?  
Otherwise? well, you know we could

Runaround  
Because I can get this anyway  
Runaround  
I can get this anyway  
Runaround  
L can get this anyway

Light goes down  
Somebody could break your heart  
Light goes on  
You could break somebodys heart  
Chain on mv heart is going to break

Every time you try to make me cry  
Listen to it now  
Punch it in  
Shake the chain  
I cant take the tears  
I cant take the tears

Shake the chain, shake the chain  
At everything I do  
Just enough  
And everything I wanted to  
Just enough  
And everything I put you through  
Just enough to know  
He dont want me  
Oh, you better wise up girl  
You better get smart  
You better hide your heart

Hes a runaround  
And I could get this anyway  
Runaround  
I can get this anyway  
Runaround  
I can get it anyway

Take a deep breath  
And break the chain
