A long stretch of headlights Bends into I-9 Tiptoe into truck stops And sleepy diesel eyes Volcanoes rumble in the taxi And glow in the dark Camels in the driver's seat A slow, easy mark

But you ran out of gas
Down the road a piece
Then the battery went dead
And now the cable won't reach...

It's your last chance
To check under the hood
Last chance
She ain't soundin' too good,
Your last chance
To trust the man with the star
You've found the last chance Texaco

Well, he tried to be Standard
He tries to be Mobil
He tried living in a world
And in a shell
There was this block-busted blonde
He loved her - free parts and labor
But she broke down and died
She threw all the rods he gave her

But this one ain't fuel-injected Her plug's disconnected She gets scared and she stalls She just needs a man, that's all

It's her last chance Her timing's all wrong Her last chance She can't idle this long Her last chance Turn her over and go

Pullin' out of the last chance texaco The last chance
