Love is wonderful, the second time around  
Just as wonderful, with both feet on the ground  
It's that second time you hear your love song sung  
Makes you think perhaps that love like youth is wasted  
Is wasted on the young

Love's more comfortable, the second time you fall  
Like a friendly home the second time you call  
Who can say, what lead us to this miracle we've found

There are those who'd bet  
Love comes but once and yet  
I'm oh, so glad we met  
The second time around

Love's more comfortable, the second time you fall  
Like a friendly home the second time you call  
And who can say, what lead us to this miracle we've  
found

There are those who'd bet  
That love came once and yet  
I'm oh, so glad we met  
The second time around
