VERSE 1

The floor is calling but I, can't do it on my own
I need someone who is willing, to get down with me all
night
Boy are you that somebody? I wanna rock this party
We'll keep it moving all night long.....

PRE

I need you to work with me a little bit, work it just a little
bit
Twork it just a little cos I just wanna wiggle it
Just let me turn around, baby I wanna be your lady
And you make me go crazy the way you shake it for me

CHORUS

Baby I need you to shake that a little for me
Come closer boy cos I want you to put it on me
Why don't you show me just what you can do for me?
Baby I need you to WI-WIGGLE IT WIGGLE IT
WIGGLE IT JUST A LITTLE BIT,
NOW LET ME SEE YOU WIGGLE IT JUST A LITTLE BIT
