When it comes to this music  
In this game I'm a beast  
When it comes to my city  
Yeah I represent the D  
Hold it down for my ladies  
And my women in the streets  
So what it is it's what it's gonna be  
I see your D-town boogie  
Y'all ain't do it like this  
Gone and get your boogie on  
If you feel it in the mix  
All my ladies out there  
Just do it like this  
If you're with me then tell 'em how it is

I'mma tell 'em how it is  
I'mma do me  
I'mma get it crackin'  
Get it in y'all gone see  
I'mma tell 'em how it is  
Living carefree  
Got my mind on the money and the prize  
Y'all gone see  
I'mma tell 'em how it is  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
I'mma tell 'em how it is

So if you're down then come along  
Take a step inside my mind  
If you're ready  
I'mma pick you up and take you for a ride  
So don't be scared now  
I told you that it's gonna be alright  
So if you're ready  
Then it's time to live your life  
So if you feelin' like I'm feelin'  
Let it go now (Yeah! )

So get it get it  
Get it gone and get it gone now (Jazz! )  
'Cause in a minute  
We about to rock this whole crowd (whole crowd)  
And if you know like I know  
Then let 'em know now

I'mma tell 'em how it is  
I'mma do me  
I'mma get it crackin'  
Get it in y'all gone see  
I'mma tell 'em how it is  
Living carefree  
Got my mind on the money and the prize  
Y'all gone see  
I'mma tell 'em how it is  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
I'mma tell 'em how it is

Yeah...

(Instrumental)

I'mma tell 'em how it is  
I'mma do me  
I'mma get it crackin'  
Get it in y'all gone see  
I'mma tell 'em how it is  
Living carefree  
Got my mind on the money and the prize  
Y'all gone see  
I'mma tell 'em how it is  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
(I'mma tell 'em how it is)  
Taking no shorts no losses with mine  
I'mma tell 'em how it is

So if you're down then come along  
Take a step inside my mind  
If you're ready  
I'mma pick you up and take you for a ride  
So don't be scared now  
I told you that it's gonna be alright  
So if you're ready  
Then it's time to live your life

So if you feelin' like I'm feelin'  
Let it go now (Yeah! )  
So get it get it  
Get it gone and get it gone now (Jazz! )  
'Cause in a minute  
We about to rock this whole crowd (whole crowd)  
And if you know like I know  
Then let 'em know now

I'mma tell 'em how it is
