(Xspres)

What's that I'm hearing

That's nonsense, you too dense

Better watch what you be sayin' me

No suggestions or comments

No stuntin', better beware

Turn all your dreams to nightmares

Your mouth could get you lost between these knuckles

(Line)

I can't fail

I prevail

Check out my swag

I'm doing well

(Line)

(Another line)

Your mouthpiece got me focused on some things

I'm truly stockin'

So I'm laughin' at you talking

With these fully-loaded pockets

(Jasmine)

I hear you talking

But those words don't mean a thing to me

You can keep it up

But you're never gonna undo me

Ain't no stoppin' now

'Cause this music keeps on running through me

I-I-I-I'm on it, on it

I-I-I-I-I stay on it

Say what you want

Because I'm holdin' it down

I see you out there with that jealousy

Can't figure me out

So you walkin' around with your face in a frown

There ain't nothing you can say

That can bring me back down

You better wa-atch what you say

Wa-atch what you sayin', sayin', sayin'

Wa-atch what you say

Wa-atch what you sayin', sayin', sayin'  
Wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
You don't want those rumors getting back

Don't say nothing that you gonna regret  
I say you talkin' but  
You ain't said nothing to my face yet  
You better wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
Wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'

You spendin' all your time  
Steady steady hatin' on me  
W-why you doin' that  
Y-y-you don't even know me  
Don't make me re-e-peat  
'Cause I thought I-I told you homie  
I-I-I-I stay on it  
All day long I-I stay on it

Say what you want  
Because I'm holdin' it down  
I see you out there with that jealousy  
Can't figure me out  
So you walkin' around with your face in a frown  
There ain't nothing you can say  
That can bring me back down

You better wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
Wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
Wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
You don't want those rumors getting back

Don't say nothing that you gonna regret  
I say you talkin' but  
You ain't said nothing to my face yet  
You better wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'  
Wa-atch what you say  
Wa-atch what you sayin', sayin', sayin'
