[Intro]

Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)

[Chorus]

Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there
Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there

I want to hold you
But I know you
Really need to show me
That you're sincere
My dear, and wont
Turn around and leave me lonely
You once brought me joy
But this time boy
I feel this is the end
That's how it seems
To me, I need to
Know your true intentions

[Chorus]

Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there
Tell me you love me baby
Tell me you care
Tell me in my life that

You'll always be there

You're like night and day
If I must say
One minute you want
To console me
Then by the very next morn
You got me torn
Acting like You don't know me
I guess to you that's fine
But honey I,
Won't waste that time on you
And ride on by with lies
If you want a try
Then here's what you do

[Chorus]

Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there
Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there

Why don't you speak your mind to me
I let you know you're all I need
But I can't continue this
If You choose to be an absentee
Why don't you speak your mind to me
I let you know you're all I need
But I can't continue this
If You choose to be an absentee

Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)
Him nah tell me
(Oh oh oh oh)

[Chorus: x2]

Tell me you love me baby
Tell me you care
Tell me in my life that
You'll always be there
Tell me you love me baby
Tell me you care

Tell me in my life that
You'll always be there
