Ooh oh, oh, oh, oh
no, no, no, no oh
Just past eleven o'clock
Rolled up in the club gonna rock the spot (oh, oh)
Girl outfits just bubbling up
Boys take a look see what you can't touch
Semi jeans and a Prada bag
Six inch heel how you like me now
He's working it out, he's checking it out
Knocking it down round after round

(Chorus)

I can't feel the base line jumping
Watch out there's my song
Ladies, let me see your hands up in the air
Ladies, show him what ya got shake it all around, yeah
yeah
Hey yo, you wanna little of this
You want a little, wanna little of this
Hey yo, you wanna little of this
You wanna little, wanna little of this
What you think, you think you got it
Can't, can't, can't, can't touch it

Ooh, oh
I'm not what you think I am
You ain't gonna get what you think you can
Oh no, you aint the man
You might be fine, but I don't give a damn
'Cause I'm here with my girls tonight
No strings attached. no guys to cry
I'm gonna let my hair down, get out on the town
DJ turn it up nice and loud

(Chorus)

I can't feel the base line jumping
Watch out there's my song
Ladies, let me see your hands up in the air
Ladies, show him what ya got shake it all around, yeah
yeah
Hey yo, you wanna little of this

You want a little, wanna little of this
Hey yo, you wanna little of this
You wanna little, wanna little of this
What you think, you think you got it
Can't, can't, can't, can't touch it

You wanna little of this, you wanna little,
You wanna a little of this, hey yeah
You wanna little of this, you wanna little,
You wanna a little of this

Chorus

I can't feel the base line jumping
Watch out there's my song
Ladies, let me see your hands up in the air
Ladies, show him what ya got shake it all around yeah
yeah
Hey yo, you wanna little of this
You want a little, wanna little of this
Hey yo, you wanna little of this
You wanna little, wanna little of this
What you think, you think you got it
Can't, can't, can't, can't touch it

Ladies, let me see your hands up in the air
Ladies, show em what cha got shake it all around yeah

Hey yo, you wanna little of this
You want a little, wanna little of this
Hey yo, you wanna little of this
