On your way to work and it's all good
The Traffic hits you like you new it would
You wanna scream but ya gotta
Hold it back, hold it back

Is it right if your mans coming home late
Got your girls at your ear sayin "too late!"
And he's down on his knees saying baby
Take me back, Take me back!

Make it stop!
(You got me so) Worked up!
(I'm pullin my) hair out!
Hey! I'm about to hit somebody!

Let go!
Somebody just
Help me out!
Why can't you just
Hear me now!
I gotta get this off my chest...

Grass is greener
Got no money
People telling jokes
that ain't funny
Drunken bar fights
Catchin red lights
HELL NO! HELL NO!

Guys with attitude
Girls complaining
Waiting in line
Won't stop raining
All this sh*t that
got me sayin
HELL NO! HELL NO!

Ohh no no no no

Workin hard, two jobs, just to get by

Got a boss that's makin my head fly
made me late, they expect me to sit back
Take a breath, Take a breath

All the girls, they be makin up stories
lookin to bring me down coz they worried
about holding back their insecurities

Make it stop!
(You got me so) worked up!
(I'm pullin my) hair out
Hey! I'm about to hit somebody!

Let go!
Somebody just
Help me out!
Why can't you just
Hear me now!
let me get this off my chest...

Grass is greener
Got no money
People tellin jokes
that ain't funny
Drunken bar fights
Catchin red lights
HELL NO! HELL NO!

Guys with attitude
Girls complaining
Waitin in line
Won't stop rainin
All this sh*t that
got me sayin
HELL NO! HELL NO!

da da da da dada x2

Grass is greener
Got no money
People tellin jokes
that ain't funny
Drunken bar fights
Catchin red lights
HELL NO! HELL NO!

Guys with attitude
Girls complaining
Waitin in line
Won't stop rainin
All this sh*t that

got me sayin
HELL NO! HELL NO!

HELL NO! HELL NO!
