We were always together,
You knew every thought that I had,
And my wish was your command,
Like a match made in heaven,
Then we took it right back to Earth,
And things got out of hand.

But now I look into your eyes,
I feel something I can't disguise,
It's like a me that's all new,
Makes me want to get it with you!

Suddenly I see,
What you mean to me,
What we lost is found,
Love is all around,
Do you think of me,
Like I think of you,
Can you hear the sound,
Love is all around,
(Love is all around.)

I was walking in circles,
Used to know the way,
But I couldn't find it anymore,
I thought the world had no colours,
Tryin' to eat,
But nothing would taste the same as before,

But now I look into your eyes,
Feel something I can't disguise,
It's like a me that's all new,
Makes me want to get it with you,

Suddenly I see,
What you mean to me,
And what we lost is found,
Love is all around,
Do you think of me,
Like I think of you,
Can you hear the sound,

Love is all around,
(Love is all around.)

We can have a good time,
And take the bad times,
Just remember what goes down,
I will stay beside you,
Your heart will guide you,
Love is all around,
Love is all around,

Suddenly I see,
What you mean to me,
And what we lost is found,
Love is all around,
Do you think of me,
Like I think of you,
Can you hear the sound,
Love is all around,(repeat)

Love is all around!
