Eaters dying darling
Please forgive me he said
For me for my true love for dead

She flashed him near a message
Asked him how to get home
Although he'd knew she'd never call

Still he said willow wand willow wand
Willow wand willow wand

He said willow wand willow wand
All the way home
Willow wand willow wand
All the way home
Willow wand willow wand
All the way home to me

He said willow wand willow wand
All the way home
Willow wand willow wand
All the way home
Willow wand willow wand
All the way home to me

He said willow wand willow wand
All the way home
Willow wand willow wand
All the way home
Willow wand willow wand
All the way home to me
All the way home to me
