she's a very kinky girl
the kind you don't take home to mother
she will never let your spirits down
once you get her off the streets

she likes the boys in the band
she says that i'm her all time favourite
when i make my move to her room it's the right time.
she's never hard to please

that girl is pretty wild now
that girls a superfreak
the kinnd of girl you read about
in new wave magasine

that girl is pretty kinky
the girls a superfreak
i really love to chase her
every time we meet

she's all right
she's all right
that girls all right with me
yeah

hey hey hey hey

she's a superfreak, superfreak
she's super freaky

everybody sing

superfreak, superfreak

she's a very special girl
from her head down to her toenails

down to her feet

ya she'll wait for me in backstage with her girlfriends
in a limousine

three's not a crowd to her she says
room 714 i'll be waiting
when i get get there she's got incense, wine and
candles
it's such a freaky scene

that girl is pretty kinky
the girls a superfreak
the kind of girl you read about
in new wave magazine

that girl is pretty wild now
the girls a superfreak
i really like to taste her
every time we meet

she's all right
she's all right
that girls all right with me
yeah

hey hey hey hey

she's a super freak, superfreak
she's super freaky

temptations sing

oh oh oh oh oh oh oh

super freak, superfreak
that girls a superfreak

oh oh oh oh oh oh oh

she's a very kinky girl
the kind you won't take home to mother
and she will never let your spirits down
once you get her off the streets

blow, danny!

oh girl

oh girl
