We are the light of the world, Like a city we light up the sky So let your candle burn, Let the people see That Jesus Christ he lives in me We are the light; (We are the light); We are the light (We are the light).

Chorus

I will let my light shine Shine before all people That they will see my good deeds And praise you Father God (repeat)

We are the salt of the earth,
Giving flavour to all of the world,
But if our salt has gone,
It can't be made again.
No longer good for anything,
We are the salt; (We are the light)
We are the salt; (We are the light).
[Chorus]

We are the light (We are the light); (repeat) We are the light.
