(R. Nelson)

Anytime you want me, I'll be there  
Anytime at all now I don't care  
Just say the word and I'll be there  
Anytime, anytime, anytime.

I can take it tell me right away  
I can make it now or any day  
Just say the word and I'll be there  
Anytime, anytime, anytime.

Do you feel the feeling that I feel inside  
When we're together are you warm inside.

Anytime you want me call my name  
Anytime you say, I'll take the blame  
Just say the word and I'll be there  
Anytime, anytime, anytime.

Anytime, anytime, anytime.

If you think you'd ever wanna be with me  
I'll try to show you what you mean to me.

Anytime you want me, I'll be there  
Anytime at all now I don't care  
Just say the word and I'll be there  
Anytime, anytime, anytime...
