When you came along, oh, happy was I
When you went away, I thought I would die
Oh baby, don't leave me this way
(Oh baby)

You know how much I need your touch
Baby, I love you a little too much
Oh baby, don't leave me this way
(Oh baby)

I thought you said our love was true
That you love me and I love you
But now you're gone and I am blue
Oh, what am I gonna do

I just can't see why you wanted to go
You knew all along it would hurt me so
Oh baby, don't leave me this way
(Oh baby)

I thought you said our love was true
That you love me and I love you
But now you're gone and I am blue
Oh, what am I gonna do

I just can't see why you wanted to go
You knew all along it would hurt me so
Oh baby, don't leave me this way
(Oh baby)

Oh baby, don't leave me this way
(Oh baby)
