Every night I hope and pray
A dream lover will come my way
A girl to hold in my arms
And know the magic of her charms

Because I want someone to call my own
I wanna dream lover, so I don't have to dream alone

Dream lover, where are you
With a love, oh, so true
I need a hand that I can hold
To feel you near as I grow old

Because I want someone to call my own
I wanna dream lover, so I don't have to dream alone

Someday, I don't know how
I hope she'll hear my plea
Someway, I don't know how
She'll bring her love to me

Dream lover, until then
I'll go to sleep and dream again
That's the only thing to do
Until all my lover's dreams come true

Because I want someone to call my own
I wanna dream lover, so I don't have to dream alone
I wanna dream lover, so I don't have to dream alone
