Everlovin hoo everlovin
Everlovin hoo everlovin
Everlovin you're my one desire
Everlovin you set my soul on fire
Everlovin I'll be everlovin you

Everlovin I will treat you tender
Everlovin if you'll just surrender
Everlovin I'll be everlovin you

You're my darling you're the one I'm dreaming of
Mmmm I've gotta make you mine
You're the only one I ever love-ove-ove-oved

Everlovin say you'll leave me never
Everlovin I'll be yours forever
Everlovin I'll be everlovin you

You're my darling you're the one I'm dreaming of
I've gotta make you mine
You're the only one I ever love-ove-ove-oved

Everlovin say you'll leave me never
Everlovin I'll be yours forever
Everlovin I'll be everlovin you
Everlovin I'll be everlovin you

FADE:

Everlovin I'll be everlovin you
Everlovin I'll be everlovin you
