(Baker Knight)

I want to ride that glory train
I want to ride, ride, ride that glory train
Yeah, all I want to do when my life on earth is through
Is to get aboard and ride that glory train.

Ah, there's a railroad train that's leaving
Just a rolling down the track
And the passengers aboard it boy
They're never coming back.

It's a glory train that's leaving
It's the train I long to ride
To that home way up in heaven
Where God's children all abide.

I want to ride that glory train
I want to ride, ride, ride that glory train
Yeah, all I want to do when my life on earth is through
Is to get aboard and ride that glory train.

Hear the thunder of engine
Get aboard her if you can
For the final destination
In that far off promised land.

Where the master will be waiting
In his home way up above
Just to fill our hearts with gladness
And His great eternal love.

I want to ride that glory train
I want to ride, ride, ride that glory train
Yeah, all I want to do when my life on earth is through
Is to get aboard and ride that glory train.

When you get down to the station
And the train's about to leave
You be sure to have a ticket
If you really do believe.

That the Masters' waiting for you
In his home way up above
Just to fill our hearts with gladness
And His great eternal love...
