Hello, hello, hello, hello

Hello walls, hello, how things go for you today?
Don't you miss her since she upped and walked away
And I'll bet you dread to spend another lonely night
with me
Lonely walls I'll keep you company

Hello window, hello, well, I see that you're still here
Aren't you lonely since our darling disappeared
Well, look here, is that a teardrop in the corner of your
pane
Don't you try to tell me that it's rain

She went away and left us all alone the way she
planned
Yes, we'll have to learn to get along without her if we
can

Hello ceiling, hello, I'm gonna stare at you a while
You know I can't sleep, so won't you bear with me
awhile
We must all stick together or else I'll lose my mind
I got a feeling she'll be gone a long long time
