I wanna be loved with inspiration  
I wanna be loved starting tonight  
Instead of merely holding conversation  
Hold me tight

I wanna be loved, I crave affection  
Those kisses of yours, I'd gladly share  
I want your eyes to shine in my direction  
Make me care

I want the kind of romance that should be strong  
And equally as tender  
I only ask for the chance to know the meaning  
Of the word ?surrender?

I wanna be thrilled by only you, dear  
I wanna be thrilled by your caress  
I wanna find each dream of mine come true  
Dear, I wanna be loved

I wanna be loved with inspiration  
I wanna be loved starting tonight  
Instead of merely holding conversation  
Hold me tight

I wanna be kissed until I tingle  
I wanna be kissed, starting tonight  
Embrace me till our heartbeats intermingle  
Wrong or right

I'm in the mood to adore  
I'm ready for that well known turtle doving  
I'm in no mood to resist  
And I insist the world owes me a loving

I wanna be thrilled to desperation  
I wanna be thrilled starting tonight  
With every kind of wonderful sensation  
I wanna be loved
