I will follow you
Follow you wherever you may go
There isn't an ocean too deep
A mountain so high it can keep me away

I must follow you
Ever since you touched my hand I know
That near you I always must be
And nothing can keep you from me, you are my destiny

I love you, I love you, I love you
And where you go I'll follow, I'll follow, I'll follow
You'll always be my true love, my true love, my true
love
From now until forever, forever, forever

I will follow you, follow you wherever you may go
There isn't an ocean too deep
A mountain so high it can keep
Keep me away, away from my love

I love you, I love you, I love you
And where you go I'll follow, I'll follow, I'll follow
You'll always be my true love, my true love, my true
love
From now until forever, forever, forever

I will follow you, follow you wherever you may go
There isn't an ocean too deep
A mountain so high it can keep
Keep me away, away from my love

And where you go I'll follow
