I'll make believe that I don't miss you
I can say I'm glad that we're apart
I can tell my friends, I'm glad it's over now
But what will I tell my heart

I'll make believe, I don't think about you
Try to pretend we never met
But when I wake up, aw, in the mornin' now
You know my pillow is soakin' wet

I know how much I need you
And at times I almost cried
Makin' believe is not so easy
How long can I hold it inside

I'll make believe that I don't love you
And I never gave my heart away
But I know I'll never, aw, be the same dear
You're on my mind both night and day

I know how much I need you
And at times, I almost cried
Makin' believe is not so easy
How long can I hold it inside

I'll make believe that I don't love you
And I never gave my heart away
But I know I'll never, aw, be the same dear
You're on my mind both night and day

I think of you both night and day
You're on my mind both night and day
