I walk alone because to tell you the truth
I'll be lonely, I don't mind being lonely
When my heart tells me, you are lonely too

I walk alone, they'll ask me why and I'll tell them, I'd
rather
There are dreams, I must gather
Dreams we talked of the night you held me tight

I'll always be near you wherever you are each night
(Each night)
In every prayer if you call I'll hear you no matter how
far
(In every prayer)
Just close your eyes and I'll be there
(Close your eyes, I'll be there)

Please walk alone and send your love
And your kisses to guide me
Till you're walking beside me, I'll walk alone

I'll always be near you wherever you are each night
(Each night)
In every prayer if you call I'll hear you no matter how
far
(In every prayer)
Just close your eyes and I'll be there
(Close your eyes, I'll be there)

Please walk alone and send your love
And your kisses to guide me
Till you're walking beside me, I'll walk alone
(I'll walk alone)
