I'm confessing that I love you
Tell me, do you love me too ?
I'm confessing that I need you,
Honest I do

Need you every moment

In your eyes I read such strange things
But your lips deny they're true
Will your answers really change things
Making me blue

I'm afraid someday you leave me
Saying "can't we still be friends"
If you go you know you'll grieve me
All in life on you depends

Am I guessing that you love me
Dreaming dreams of you in vain
I'm confessing that I love you,
Over again

I'm afraid someday you leave me
Saying "can't we still be friends"
If you go you know you'll grieve me
All in life on you depends

Am I guessing that you love me
Dreaming dreams of you in vain
I'm confessing that I love you,
Over again

I'm confessing that I love you,
Over again
