I'm walkin', yes indeed, I'm talkin' for you and me
And I'm hopin' that you'll come back to me
I'm lonely as I can be, and I've waited for your company
And I'm hopin' that you'll come back to me

Whatcha gonna do when the well runs dry?
You're gonna run away and hide
I'm gonna run right by your side
For you, pretty baby, I'd even die

I'm walkin', yes indeed, I'm talkin' for you and me
And I'm hopin' that you'll come back to me, hang on

I'm walkin', yes indeed, I'm talkin' for you and me
And I'm hopin' that you'll come back to me
I'm lonely as I can be, and I've waited for your company
And I'm hopin that you'll come back to me

Whatcha gonna do when the well runs dry?
You're gonna run away and hide
I'm gonna run right by your side
For you, pretty baby, I'd even die

I'm walkin', yes indeed, I'm talkin' for you and me
And I'm hopin' that you'll come back to me
